

APPLICATION FORMS, CALENDAR AND FEES

Additional information

The following page outlines information that is important to know before applying to Hillsong College, as well as some general information that will be helpful to you. Refer to our website for more information and FAQs. Please note that the Pastoral Reference Form (attached) is required for whichever course you apply and will need to be given to your pastor to complete.

Cost of living

We recommend you budget between \$250 – \$350 per week. This would include accommodation, electricity, food, local phone calls and some transport.

Accommodation options

Houses or apartments rented by the College

We place between 4 to 6 students in each. Furniture is not always included. The main item to obtain is a bed. The rest of the furniture (lounges, tables, electrical goods, kitchenware and linen) can be purchased between the people in the house. We also have some people who donate furniture and appliances.

A note to married couples

As a married couple (with no children) it is important you work out what your requirements are:

- Are you prepared to live with other people?
- If so, who? (ie. Single girls, single guys, another married couple).
- How much can you afford for accommodation?

We will then try to place you accordingly, however, it will be subject to availability once accepted.

How do I study in Australia if I am from overseas?

If you are an overseas student you will need to apply for a Student Visa. Contact the Australian Embassy in your country and they can send you the forms to apply (www.immi.gov.au). Allow plenty of time (up to 2–3 months) to apply for the visa before the course starts. To apply for your visa, you will first need to be offered a place by the College and then make the minimum fee payment. We will then issue you with a Confirmation of Enrollment letter that you will need to apply for your visa.

Can I work?

Students can work part time whilst at College to supplement their income. Overseas students can work up to 20 hours per week on their student visa. Due to the timetable and the practical work required, you may find 8–10 hours per week more manageable. We recommend you budget to have 2-3 months living expenses to live off when you arrive.

Are there scholarships?

The College is unable to provide scholarship or financial aid. Students raise their finances by either working before coming to College and saving, or having friends, family or church members support them.

When can I commence?

Intakes for all courses are January and July

Length of course

Certificate IV in Ministry	1 year full time
Diploma of Ministry	2 years full time
Advanced Diploma of Ministry	3 years full time

Do I have to apply by a certain date

For Australian students we recommend you apply no later than 2 weeks prior to enrollment. For International students we recommend that you leave plenty of time to apply for a student visa.
